

Music Festival Registration Template

Hi Teachers,

If your students are registering on their own for the music festival, please make sure they know the following details. Please take time to look through the on-line registration form so that you know how to fill this form out for your student.

Discipline Registration (which button to initially click on the registration page)

Teacher Information:

Name

Mailing Address

Email

Phone #

Cell #

Accompanist Name & Phone # (if applicable)

Class Registration:

NOTE: In order to keep from having to scroll through a long list of classes, they have been divided into styles based on the SMFA divisions or in some cases disciplines (such as woodwinds or strings). Students will need to know what style their class is from in order to complete the registration.

Note: if the class requires more than one selection, please make sure the student includes the information for the extra selections. They will have to select "yes" to the question "Does this class require more than one selection?" These extra selections will be entered in separately. The Performance Length is for the entire performance of all selections for the class.

Some of the open classes require that you specify what instrument the student will be playing.
