January 1, 2024

Dear Teacher,

We are eagerly anticipating Festival 2024 - April 8-12! The website is now up and ready for registrations.

Registration Deadline: February 14, 2024 @ 11:59p.m.

Registration Fees: Solos - \$16/entry; Duets & Ensembles - \$20/entry

Everything you need to know about the Nipawin Music Festival can be found on the website - www.nipawinmusicfestival.ca - including this year's dates, the SMFA syllabus, local class lists and on-line registration.

SMFA Syllabus and Local Class Lists

You will find links for the SMFA syllabus and the NMFA local class lists on the website.

- a) If you purchased a printed copy of the SMFA syllabus, there have been significant revisions which can be found by clicking on the SMFA syllabus link on our website.
- b) NEW: Changes have been made to the Nipawin local class lists to comply with SMFA requirements. If you have suggestions or a request for a new class, please contact me before January 13.

On-line Registration

Once again we will only be accepting on-line registrations. There is a separate registration form for each discipline. As in the past, you can only register for 5 classes in one registration. If you need to register for more classes, you will need to use another registration form.

All class numbers and titles have been set up in a drop-down menu and by clicking on the menu and typing the class number, you should be able to search for the class easier. If you notice that a class is missing, duplicated or the information is wrong, please contact me. In the meantime, enter your other classes and finish your registration.

Other Solo Registration

You can use the “Other Solo Registration” form to register classes for other disciplines that don’t have a specific registration form. You can also use this form if a class is missing or is wrong in its discipline registration form. Please make sure your students and/or their parents *do not* use this form for classes that have their own form.

Duets and Ensembles

If you are registering any duets or ensembles, you can only register a maximum of 2 classes on one registration. Also, the performers must be the same if registering more than 1 class. Other performer combinations must be registered separately.

On a separate page, I have made a template for you to give to each of your students if they are registering themselves so that they know what information to enter. I would encourage you as a teacher to take some time to look through the registration form so that you can help them if they have questions.

No changes will be made once the program has been made.

If you have any questions about the website or registration process, please don’t hesitate to contact me. If you have questions about the music festival in general you can contact myself or Jamie Hildebrandt, Festival President, (306-812-8086).

Thank you for your desire to impart the joy of music in the lives of your students. We look forward to hearing them and celebrating their learning with you!

Sincerely,

Myra Schmidt
