Dear Teacher,

We are eagerly anticipating Festival 2025 - March 17-21! The website is now up and ready for registrations.

Registration Deadline: February 2, 2024 @ 11:59p.m.

Registration Fees: Solos - \$16/entry; Duets & Ensembles - \$20/entry

Everything you need to know about the Nipawin Music Festival can be found on the website - www.nipawinmusicfestival.ca - including this year's dates, the SMFA syllabus, local class lists and on-line registration.

SMFA Syllabus and Local Class Lists

You will find links for the SMFA syllabus and the NMFA local class lists on the website.

- a) If you purchased a printed copy of the SMFA syllabus, there have been significant revisions which can be found by clicking on the SMFA syllabus link on our website.
- b) Changes have been made to the Nipawin local class lists to comply with SMFA requirements. If you have suggestions or a request for a new class, please contact me before January 1.

On-line Registration

Once again we will only be accepting on-line registrations. Registrants will need to manually enter the class numbers and titles.

A reminder that parents/guardians must register their own children for solo registrations because of the consent needed. Teachers can register ensembles.

Duets and Ensembles

If you are registering any duets or ensembles, you can only register a maximum of 2 classes on one registration. Also, the performers must be the same if registering more than 1 class. Other performer combinations must be registered separately.

On a separate page, I have made a template for you to give to each of your students if they are registering themselves so that they know what information to enter. I would encourage you as a teacher to take some time to look through the registration form so that you can help them if they have questions.

No changes will be made once the program has been made.

Awards & Scholarships

Students must register in at least 3 solo classes in a discipline to be considered for any sponsor awards or scholarships.

If you have any questions about the website or registration process, please don't hesitate to contact me. If you have questions about the music festival in general you can contact myself or Jamie Hildebrandt, Festival President, (306-812-8086).

Thank you for your desire to impart the joy of music in the lives of your students. We look forward to hearing them and celebrating their learning with you!

Sincerely,

Myra Schmidt
