SMFA PRESIDENT'S MESSAGE

FINDING OUR PLACE

2026 brings a lot of change for our family, as we have relocated to Saskatoon from North Battleford. The new routines, people and surroundings are prompting me to consider how we will fit in and contribute to the community.

Likewise, the SMFA board and staff continue to consider how to provide all musicians and spoken word artists comfortable and inspiring places to share their creativity – where each person feels valued and welcomed.

Finding our place in a community is central to the human experience and provides benefits to mental and physical well-being. I hope that every volunteer, participant, teacher and adjudicator find that they are part of something that brings satisfaction and joy, and that the relationships they build are life-giving.

I am honoured to work as president of the SMFA. Board members and staff inspire me with their energy and ideas. At festivals, volunteers amaze me with their commitment, adjudicators give me new strategies, and performers bring me joy!

As each of us finds a place in the vibrant Saskatchewan festival movement, we will do our part to realize the hope of our mentor, Mossie Hancock: "Music for One, Music for All".

Dianne Gryba
SMFA President

PIANO ADJUDICATOR - JENN VOTH

Jenn Voth is a prairie girl stemming from Brandon, MB. She started her musical journey at a young age at the piano under the watchful eye of her grandma who supervised every practice with great accuracy! Her love of music continued to grow and lead her to a teaching career which began as a teen. Growing up she was active in the school band, sang and played for choirs, and led church music.

She pursued a Diploma in Music from Prairie Bible College, a Bachelor of Music through Brandon University with concert pianist Alexander Tselyakov and a Masters in Piano Performance and Pedagogy from Memorial University of Newfoundland. While in Newfoundland she was exposed to the Taubman Technique and Body Mapping. These methods changed her approach to the piano and gave her a greater

appreciation of the body and the instrument.

Throughout the years, she has been active as a freelance performing musician. She plays and appreciates all styles of music from jazz, to pop to classical. Her versatility has lead her to accompany choirs, play for musicals, pop shows, Il Divo, and premiere a piano trio by local composer Laura Pettigrew. Her current collaboration work involves coaching a variety of instrumentalists of all levels for festival and at the university level.

She plays for the Prairie

Cello Institute, is a utility player for the RSO, and recently collaborated with the Prairie Saxophone Initiative. Now in Regina, she has a full studio of private piano and theory students, is an RCM certified teacher and is a member of the Saskatchewan Registered Music Teacher Association.

When she has a few moments of spare time, she enjoys gardening, camping, reading, and spending time with her two kids.
